In consideration of payment of the fee by you (the "Licensee"), the Licensee is hereby granted a nonexclusive, worldwide, non-transferable, non-sub-licensable licence for one year from the date of purchase of the seal "FT High-Growth Companies Asia-Pacific 2024" (the "Seal") in accordance with the Permitted Uses and Logo Sizes set out below. The Seal consists of the logos of the Financial Times and Statista (the "Logos") as pictured in this licence agreement only. The Licensee acknowledges and agrees that the Financial Times Limited ("FT") shall have no liability whatsoever to the Licensee pursuant to this licence agreement or otherwise in relation to the "FT High-Growth Companies Asia-Pacific 2024" ranking. The Licensee shall only use the "FINANCIAL TIMES" or "FT" names or marks as part of the Seal for the purposes explicitly stated in this licence agreement, and in any event not in any manner which FT reasonably considers damages the goodwill or reputation of FT. The Licensee shall immediately cease such use if reasonably requested to do so by FT.

The Licensee agrees that FT may enforce the terms of this licence agreement which specifically refers to, or grants rights to, FT. Licensee acknowledges and agrees that the Seal and the Logos and all right, title and interest therein, is and shall remain the exclusive property of the Financial Times and Statista respectively.

Upon termination or expiration of this Agreement, the Licensee's right to use the Seal and the Logos shall immediately terminate and all rights granted to the Licensee hereunder with respect to the Seal and the Logos shall automatically revert to the Financial Times and Statista without further notice.

This Agreement contains the full and complete understanding of the parties with respect to the subject matter hereof and supersedes all prior representations and understanding, whether oral or written.
