

LICENCE FOR USE OF THE LOGO**Please note the following terms and conditions:**

The license is solely and exclusively granted to law firms distinguished in Canada's Best Law Firms 2024, a joint initiative of The Globe and Mail Inc. as well as Statista GmbH and Statista Inc.

The Seal consists of the logos of The Globe and Mail and Statista (the "Logos") as pictured in this order form/licence agreement only.

In consideration for payment, you (The Licensee) are hereby granted a worldwide, non-exclusive, non-transferable, non-sub-licensable license during the term of this Agreement for digital use rights (web posting, email, digital presentations, branded social media and similar) and print reproduction use rights (letterhead, sales materials, reports, white papers, brochures, posters, signage and similar) of the Official Seal pictured in this Agreement.

The Licensee may not attribute any statement of fact to The Globe and Mail or Statista beyond your placement on the list. You alone are responsible for the admissibility of the commercial use of The Seal under competition law; in this respect, The Globe and Mail and Statista give no guarantee and assume no liability.

The Licensee shall not distort, misrepresent, alter the meaning of or otherwise edit The Seal.

The License is granted for one year and will begin on the day the seal is purchased, but not before the list is published.

Purchase is completed by filling out this order form and sending the signed form to a representative of Statista, with transmission as an attachment via electronic media being sufficient.

Breach of any terms of use of a Seal Licence may result in the immediate revocation of the Seal Licence and the requirement for all use of the Seal to cease and all print materials bearing the Seal to be destroyed. Furthermore, if The Globe and Mail and/or Statista reasonably consider the further use of the Seal as damaging the reputation of The Globe and Mail and/or Statista, parties may also revoke the licence.

Upon termination or expiration of this Agreement, Licensee's right to use The Seal shall immediately terminate.

This Agreement contains the full and complete understanding of the parties with respect to the subject matter hereof and supersedes all prior representations and understanding, whether oral or written.

The License shall be governed and construed in accordance with the legal system in Canada.
